*Dear Leon*

Thank you very much for an entertaining and excellent dinner. Following my return to Iceland I had discussions with the Glitnir leadership. They are very positive towards your interest. Your participation could be in any or all of the following:

- 1) The Glitnir Bank itself
- 2) Geysi Green Energy
- 3) Glacier Renewable Energy Fund

In the documents from the Bank you will find information about all of these. The Glitnir people will be happy to provide you with any further information. In addition my friendship is always at your disposal.

Due to my extremely heavy schedule after returning to Iceland it has taken me a little longer than I had hoped to send this to you.

*Looking forward to see  
you in the summer*
